Dear LPPOA Member,

Wow, what a summer weather wise and goofy Covid wise! Hope this finds you and yours healthy and back to some kind of "normal" routine. Just a reminder that if u signed up to take a flag in, Mother Nature is telling us it's time. I'll collect the ones left behind. If u are unable to get your flag email me and I'll take care of it. As the signs will soon say, "enjoy the colors – the next ones white"!
